

# STIPT: Semiconductor Talent Incubation Program Taiwan

<https://tud.link/xqn3>

**Study program in Taiwan:** Mid to End February 2025

**Online courses**

March – June 2025

**Face-to -face courses**

**Internship at TSMC :** Mid June to Mid August 2025

**Arrival dates:** Feb. 15, 2025 or Mar. 1, 2025

**Application deadline :** May 31 , 2024

**Fields of study :** Electrical Engineering, Microelectronics, Nanoelectronics, Materials science, Computer science, Physics, Chemistry, Mathematics (compatible to semiconductor industry)

**Level of study:**

- From third year of a BA program on (\*)
- Any semester of MA program (\*)
- Diploma students who have finished half of their study period (\*)

(\*) For the duration of the complete internship, all participants must be enrolled at a Saxon university
